

# AEW-3102

## AROX Potwasher

Hood Type

### Features

- 65cm clearance designed for washing large-sized baking pans, planetary mixer basins and pots.
- Four washing cycles available: 2 - 6 minutes, with a continuous programme that allows flexible washing duration.
- Double doors with connection mechanism reduces effort for opening and closing, guaranteeing safety
- Lower part of door also works as support table for ware holder rack, which is also equipped with a sliding system made from antifriction material
