

SP-A80HI

SPAR Giant Mixer

Electric

Features

- **4 Speed Hardened Alloy Gear Driven Transmission & 3 Horsepower Motor.** Heavy-duty & high torque, designed for strength and durability even with heavy loads.
- **80 Quart Stainless Steel Bowl.** Sanitary and efficient to handle the mixing requirements of large batches in commercial kitchens.
- **Standard Planetary Mixing Action.** Agitator moves clockwise and shaft moves counterclockwise to reach every part of the bowl, thus mixes all the ingredients thoroughly and there is no need to rotate the bowl.
