

AES SERIES AROX Tumble Dryer

Electric

Features

AROX provides a wide range of dryers complying with the needs of laundries from small to industrial size.

- Ease of Operation and reliability of technology
- Stainless Steel Drum 18/10 AISI 304
- Exhaust outlet has a wide diameter to allow full discharge of moisture

The AES Series are suited for coin-operated laundrettes, nursing homes, factories, hotels, ships, off-shore facilities, industrial laundries etc.

Wide Door is controlled by an electronic sensor with protection IP67. It will stop the dryer from running when opened.

Specifications

Models		AES 10	AES 14	AES 18	AES 23	AES 34	AES 55
Capacity 1:20	kg	10	14	18	23	34	55
Capacity 1:25	kg	8	11	15	19	27	41
Dimensions:-							
Width	mm	791			1022		1360
Depth	mm	707	874	1051	918	1188	1700
Height	mm	1760			1852		2260
Drum Dia	mm	756			977		1202
Drum Depth	mm	420	585	767	590	870	960
Heating Element	watts	6 x 3000			6 x 4000		9 x 6500
Power	kw	18			24		58.5
Electrical Input	volt	380-415V 3Ph 50Hz or 440-480V 3Ph 60Hz
