

ATLA7 Series

AROX Work Table

c/w Shelf

Features

This series is an excellent solution for Kitchens, Galley, and Laboratories: efficient, clean and safe.

It offers a wide range of quality product in stainless steel, versatile for modularity and sizes.

Tables, chest of drawers, cupboards, cabinets, shelves, shelving and anything else you might need to fully equip an area where food and drink are handled.

Our product have been carefully designed in terms of style and hygiene with unique legs. This makes them both sturdy and original.

All our product are rigorously designed using AISI 304 scotch-brite stainless steel.
